Україна

Introduction: Aria;Soprano

This is a story of numerous violent acts of sovereignty aggression by communist believers.
It is also a story of people who, amid much sorrow and suffering, resolutely defended their "freedom to live" and "human dignity,"
and stood up against the brutal aggression of the communist dictatorship.

Aria; Baritone

Моїса, goddess of poetry! Speak! Tell!

Of this brutal act of violence among humans!

Of the behavior that completely eliminates the weak through this violent act!

Sing! Sing of the sadness, loneliness, and suffering of life!

Use your voice to heal the loneliness of life!

Tutti-S,A,T,B

After completing its silent invasion,
Россія(Russia) has revealed its true dictatorial nature!

Within a week, it wiped Україна off the face of the earth,
ceding all of Україна's land to Россія,
and then launched an invasion with an army of 100,000!
